

ART CLUB

WESTON COMMUNITY PROJECT

We are starting an Art Club in Weston and will meet for the first time on Wednesday 28 March at 7.00 pm in Weston (Chapel 'Schoolroom'). It's not an Art Class, but simply a way of enabling local artists* to meet, to share techniques, and to encourage and enthuse each other.

We hope to organise gallery visits and demonstrations by guest artists. For this first evening however there will be some simple 'tasters'. Please feel free to bring your own materials and your own ideas as to how the Club might develop.

*There will be experienced artists at the club but (by our definition anyway!) an 'artist' is anyone who on picking up a brush or a pencil or a pen has felt a longing to create something beautiful.

All are welcome.
